eral. Our mission is to be leaders for the boosters of the football team by coordinating events and raising funds. The club is vital mechanism to the success of the Team and central communication point for the Athletic Department and our great fans.

What does our sponsorship funds used for?

The Tiger Quarterback Club uses sponsorships to fund the events that we coordinate throughout the year, including our luncheons, tailgates, golf tournament, trivia night, and other booster get-togethers. Along with the funding of these events, funds raised by all of our sponsorships and membership are used to directly support the football team in various ways. These include contributing to an endowed scholarship fund, bowl trip expenses, and other meaningful needs. The Tiger Quarterback Club also supports monetarily the Tiger Scholarship Fund, Performance Club, other university athletic department related needs.

What do sponsors gain from generosity?

Most important reason to sponsor the Tiger Quarterback Club is to know your business would be a part of continued success of our proud University of Missouri Football Program. Beyond that there are many benefits of advertising and branding that your business would be associated with. The Tiger Quarterback Club does a lot of advertising on radio, newspaper, online, and television for all of our events. Your business would be associated with this advertising. The Tiger Quarterback Club makes it a priority to point out the partnerships we have with the sponsors of the club through Luncheon sponsorships, mentions, and testimonials.

There are other benefits provided to our sponsors by the Tiger Quarterback Club including Season Tickets, Parking Passes, and Family memberships for the business's employees.
